ABOUT OUR BEERS

Blood Orange Blonde

Blonde Ale | 5.0% abv

This is the first ale brewed here at Brewport. This refreshing Blood Orange Blonde has real blood orange juice to give it a light citrus aroma and refreshing thirst quenching quality. Refreshingly smooth a perfect addition to an outdoor patio pint or any of ours pizzas.

Naked Blonde

Blonde Ale | 5.0% abv

Our family of Blondes have a new sister! This free-spirited blonde is like none other in its purity and simplicity. Oh and she's naked! This traditional take on a Blonde Ale is pure, clean and unencumbered. Quite simply hops, water, yeast and barley make this a great easy drinking ale. It is naked to the world for you to enjoy. It is light and easy to drink with just a hint of hops to carry you through the finish and is designed to be quaffable without being filling. Our Naked Blonde quite simply goes great with everything, pizza, salad, beer or your favorite evening at home or sporting event.

Noch Eine

Vienna Lager | 5.5% abv

Noch Eine literally means "one more". This very traditional Vienna style lager is clean and refreshing start to finish! Hints of toast & enriched malt flavors subtly blend with perfect carbonation for this Vienna style lager. Ask your bartender for one more please!

Midnight Lager

Black Lager | 5.0% ABV

There is nothing more relaxing than sitting at the beach and watching the moon shimmer off the blackwater and the night sky. Midnight Lager is inspired by that exact feeling. Dark and mysterious yet smooth & drinkable with hints of hops and a touch roast that disappears like a sunrise over Long Island Sound At 5% abv Midnight Lager is as refreshing as wading in the tide pools at night.

South End

PALE ALE | 5.2% ABV

We went back to school to study up on all the new varieties of hops sprouting up all over the world – and decided to grow a new kind of pale ale with locally grown Chinook hops. Starting with standard Canada malts, we created a base that will float the supple aromatics of this American hop. A hint of malt gives way to a wave of light melon that will tease your senses. From the first sip to the last, this Pale Ale will surprise and tantalize your tongue. Hoppy but not too bitter, with just enough edge to you want another! South End Pale drinks well with the Brewmaster's Pie or the simplicity of a cheese pizza.

Old News DIPA

Double IPA | 8.0% abv

We brewed this double using old-school hops and traditional American malt for an in-your-face flavor and intense hop character. At 8% abv, this one is our front-page headline, expect to get hops, malt and bite from the first sip to last in every glass. We put this DIPA up against any and all of our favorite pizzas! Be careful, it might even want a slice.

The Roadie SIPA

Session IPA | 4.6% abv

This Session IPA is only 4.6% abv allowing you to not give up great taste while you're trying to keep your head straight. This is a classic IPA only a little less alcohol brewed with Citra hops to give it a great Citrus quality without being overbearing. Next time you go see your favorite band hoist a "Roadie" up in the air in honor of the men and women behind the scenes who make the shows great. "THE ROADIE KNOWS WHAT THE ROADIE KNOWS"

High Tide IPA

IPA | 6.2% abv

Great things are brought with the incoming tide, here's proof! High Tide IPA is a glorious blend of sativa and zamba hops. From the first sip you will notice mango, passion fruit, and citrus that blend smoothly into a modestly bitter finish. Bright, clean and as refreshing as plunging from the rocks into the cool crisp waters of High Tide. When you run out of beach, you know it's time for High Tide.
